

# Getting to Know You

B I N G O

Family gatherings present a wonderful and unique opportunity to get to know the members of your family tree. “Getting to Know You BINGO” is a fun game to start conversations and learn interesting facts about your loved ones.

## Instructions:

- Print enough “Getting to Know You BINGO” cards for each family member.
- Your goal is to talk to as many people at your gathering as possible and ask the questions in the boxes.
- Record the name and answer from one person in each box. If possible, only ask one question per person (to encourage you to sit and talk with as many family members as you can).

**Tip:** This is a fun game to play with friends as well!

Happy memory making!
