

## 3-D Heart Garland Template

- Print this on cardstock & cut out the template
- Fold colored paper in half (make several)
- Place flat edge along folded side of paper
- Trace and cut along solid line (Do NOT cut fold)
- Make 2 of each color
- Fold both ways along dotted line
- Open folds into a U-shaped half-heart
- Glue 2 halves together along folded tab (dots)
- Glue round tips together (dots) to form a chain of hearts
- Hang your garland anywhere to share the love!
